Sara is a 28-year-old UI/UX designer who excels at creating modern and intuitive web and mobile designs. She leverages Figma and is actively seeking remote employment or freelance projects.

“Hard work spotlights the character of people”

Experience.

Over two years, I've driven UX/UI design excellence at Quantum Dynamics Solutions (Dubai) and achieved a 20% user engagement boost as a Senior UX/UI Designer at PS Company (Istanbul). Currently, I lead end-to-end design remotely for PS Company in London, emphasizing user-centric principles and utilizing Figma as my primary design tool.
