UI/UX designer

Hi! I'm Sara, a dedicated UI/UX Designer with a Computer Engineering (IT) background and three years of experience. I've enhanced user experiences at Paramount Students and various freelance platforms (Upwork, Fiverr, PPH). My expertise in Figma allows me to create user-centric, visually appealing designs.

**I'm actively seeking remote employment or freelance projects. **

Please contact me via email for a quick response.

Sara Abbasi
UI/UX Designer

"Hard work spotlights the character of people"

Experience.

I've served remotely as a Senior UI/UX Designer at PS Company. With 11 months of freelancing on Upwork, Fiverr, and PPH, I excel in user-centric design using Figma. I'm seeking remote work or freelance opportunities.
